Guest Internet Accounts

[Guest Internet Accounts](#)

It is intended that anyone requesting a Guest Internet Account wishes to use the public computers in our libraries to access the Internet briefly or to check their email.

Who is Eligible for a Guest Internet Account?

- alumni
- reciprocal borrowers
- visiting scholars who are staying less than three months at McMaster

If you are a visiting scholar staying longer than three months, please have your sponsoring department submit a [Person of Interest \(POI\) request form available on Mosaic](#).

Guest accounts can be used only in the libraries and will expire at library closing on the day of issue. Some e-resource restrictions apply (see policy: Databases and E-Resources Which Do Not Permit Walk-in Users)

Additionally, a Guest Internet Account **will not be issued on a continuing basis to one individual**. If more than temporary access is required and you do not meet the Person of Interest form requirements, please speak to the staff at one of our Service Desks.
