Virtual Media Services

While classes are online, there are some media related services available for you.

[Media Help Service](#)

Our **chat widget** above is the perfect place to ask your media-related questions, but should you require more in-depth assistance, you may be referred to our [Media Help Service](#).

Additionally, if you feel you wish to book a session with one of Lyons' Media Specialists, please feel free to [Book a Media Help Session](#) with us! All sessions will happen over Microsoft Teams.

HOURS

- Tuesdays and Wednesdays between 10am and 4pm, depending on availabilities

[Remote Media Software Access](#)

Library IT has set up a way to give you remote access to our computers in Lyons, so that you can still use some of our unique media editing software collection including Camtasia, Davinci Resolve and Reaper.

Go to the [Remote Computer Access page](#), read the instructions, and choose the Lyons computer you wish to connect to!

Need to connect a microphone or access your local files while connected remotely? Check out our [Remote Computer Access guide](#)!
