

## **How to Use the Self Check-out Machines**

Now, we have all been here.

No matter how hard you try, you can't seem to check anything out.

Finally, you too can say goodbye to self check-out upsets.

Watch this!

**Step One** – Using your McMaster ID, place it in the book cradle. Make sure the bar code is right under the red line and you will hear a beeping sound.

**Step Two** - Gently place your favourite book in the cradle. Match the barcode under the red line and you will hear another beeping sound

**Step Three** – Take your due date slip and you're good to go.

Oh no! This self check-out machine can't read your book or your Mac ID.

We've got you covered.

Just ask at the front desk, we're always happy to help!
