

MERGENT ONLINE

New Release- June 2020

MERGENT
by FTSE Russell

Mergent by FTSE Russell continues to enhance our product offerings; last month we gave you a new News Provider with Naviga as well as a whole new user interface of Key Business Ratios. Now, Mergent Online has released an update that provides subscribers access to four new reports as well as a new document search portal called Report Viewer. The easy to access Report Viewer enables access to all reports stored within our Mergent Online database. This enhancement was designed with the intended purpose to save time spent on the document retrieval process. Report Viewer was implemented with easy to use search filtering tools that gives users the flexibility to locate any data rich report instantly.

For complimentary access to the below newly available reports contact your customer service representative customerrelations@ftserussell.com

Fundamental Report

Company business description and classification data along with equity financial characteristics and ratios.

London Stock Exchange Report

London Stock Exchange traded equity reports. Company business description and ICB classification data along with equity financial characteristics and ratios.

About Mergent by FTSE Russell

For over 100 years, Mergent by FTSE Russell has been a leading provider of business and financial information on public and private companies globally. Mergent by FTSE Russell is known to be a trusted partner to academic and public libraries, as well as corporate and financial institutions. Today we continue to build on a century of experience by transforming data into knowledge and combining our expertise with the latest technology to create new global data and analytical solutions for our clients. With advanced data collection services, cloud-based applications, desktop analytics and print products, Mergent by FTSE Russell and its subsidiaries provide solutions from top down economic and demographic information, to detailed equity and debt fundamental analysis. We incorporate value added tools such as quantitative smart beta equity research and tools for portfolio building and measurement. Mergent by FTSE Russell is a member of the London Stock Exchange Group plc. The Mergent by FTSE Russell business forms part of LSEG's Information Services Division, which includes FTSE Russell, a global leader in indexes.

"FTSE®", "Russell®", "FTSE Russell®", "MTS®", "FTSE4Good®", "ICB®", "Mergent®", "The Yield Book®", "Beyond Ratings®" and all other trademarks and service marks used herein (whether registered or unregistered) are trademarks and/or service marks owned or licensed by the applicable member of the LSE Group or their respective licensors and are owned, or used under licence, by FTSE, Russell, MTSNext, FTSE Canada, Mergent, FTSE FI, YB or BR. FTSE International Limited is authorised and regulated by the Financial Conduct Authority as a benchmark administrator.

All information is provided for information purposes only. All information and data contained in this publication is obtained by the LSE Group, from sources believed by it to be accurate and reliable. Because of the possibility of human and mechanical error as well as other factors, however, such information and data is provided "as is" without warranty of any kind. No member of the LSE Group nor their respective directors, officers, employees, partners or licensors make any claim, prediction, warranty or representation whatsoever, expressly or impliedly, either as to the accuracy, timeliness, completeness, merchantability of any information or of results to be obtained from the use of the FTSE Russell products, including but not limited to indexes, data and analytics or the fitness or suitability of the FTSE Russell products for any particular purpose to which they might be put. Any representation of historical data accessible through FTSE Russell products is provided for information purposes only and is not a reliable indicator of future performance.

No responsibility or liability can be accepted by any member of the LSE Group nor their respective directors, officers, employees, partners or licensors for (a) any loss or damage in whole or in part caused by, resulting from, or relating to any error (negligent or otherwise) or other circumstance involved in procuring, collecting, compiling, interpreting, analysing, editing, transcribing, transmitting, communicating or delivering any such information or data or from use of this document or links to this document or (b) any direct, indirect, special, consequential or incidental damages whatsoever, even if any member of the LSE Group is advised in advance of the possibility of such damages, resulting from the use of, or inability to use, such information.

No member of the LSE Group nor their respective directors, officers, employees, partners or licensors provide investment advice and nothing contained herein or accessible through FTSE Russell products, including statistical data and industry reports, should be taken as constituting financial or investment advice or a financial promotion.

Past performance is no guarantee of future results. Charts and graphs are provided for illustrative purposes only. Index returns shown may not represent the results of the actual trading of investable assets. Certain returns shown may reflect back-tested performance. All performance presented prior to the index inception date is back-tested performance. Back-tested performance is not actual performance, but is hypothetical. The back-test calculations are based on the same methodology that was in effect when the index was officially launched. However, back- tested data may reflect the application of the index methodology with the benefit of hindsight, and the historic calculations of an index may change from month to month based on revisions to the underlying economic data used in the calculation of the index.

This document may contain forward-looking assessments. These are based upon a number of assumptions concerning future conditions that ultimately may prove to be inaccurate. Such forward-looking assessments are subject to risks and uncertainties and may be affected by various factors that may cause actual results to differ materially. No member of the LSE Group nor their licensors assume any duty to and do not undertake to update forward-looking assessments.

No part of this information may be reproduced, stored in a retrieval system or transmitted in any form or by any means, electronic, mechanical, photocopying, recording or otherwise, without prior written permission of the applicable member of the LSE Group. Use and distribution of the LSE Group data requires a licence from FTSE, Russell, FTSE Canada, MTSNext, Mergent, FTSE FI, YB, BR and/or their respective licensors.
