

Adding eReserves to Your Avenue to Learn Course

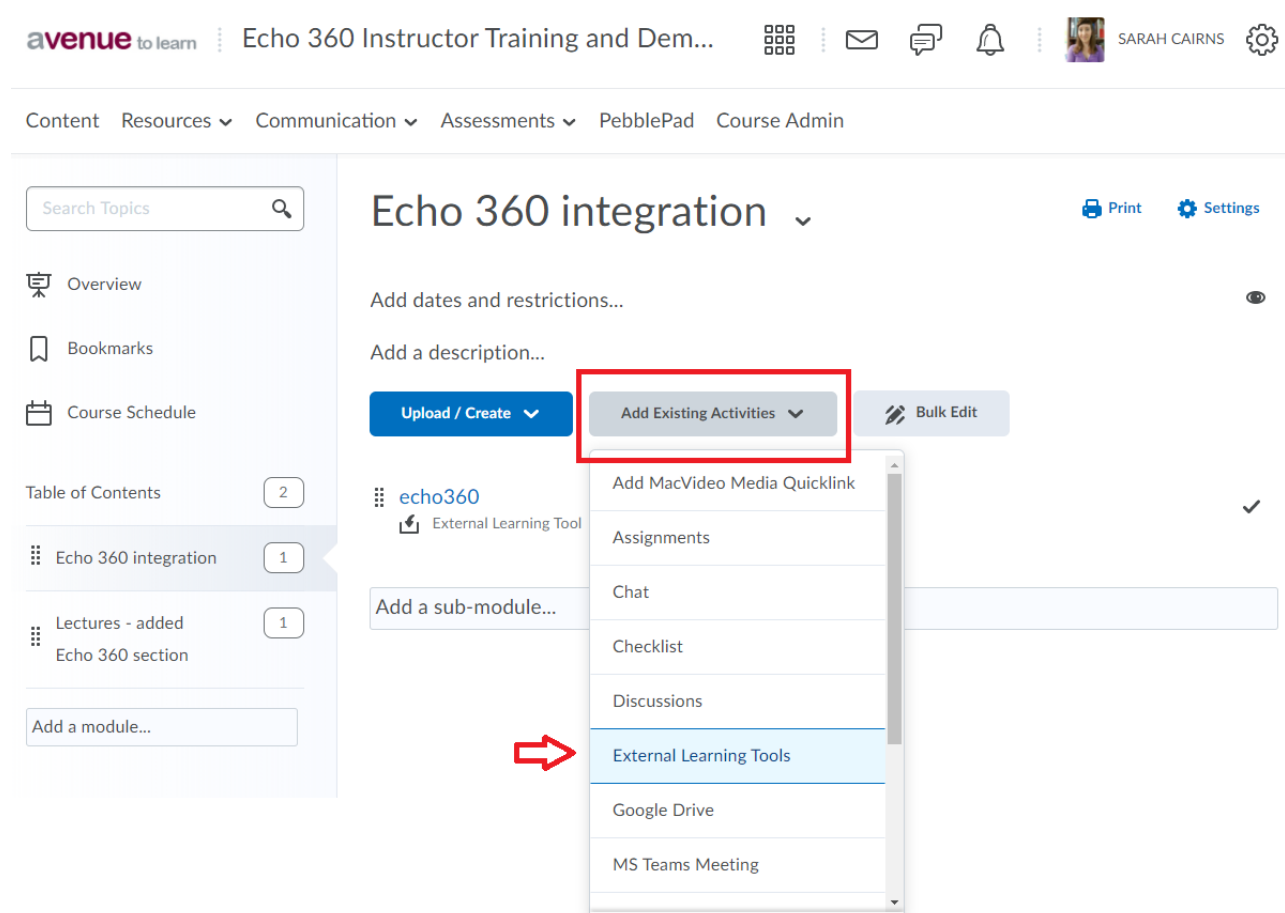

Step 1: Log into your A2L course (<https://avenue.mcmaster.ca/>) and navigate to 'Content' (An Echo 360 test course is pictured in these instructions)

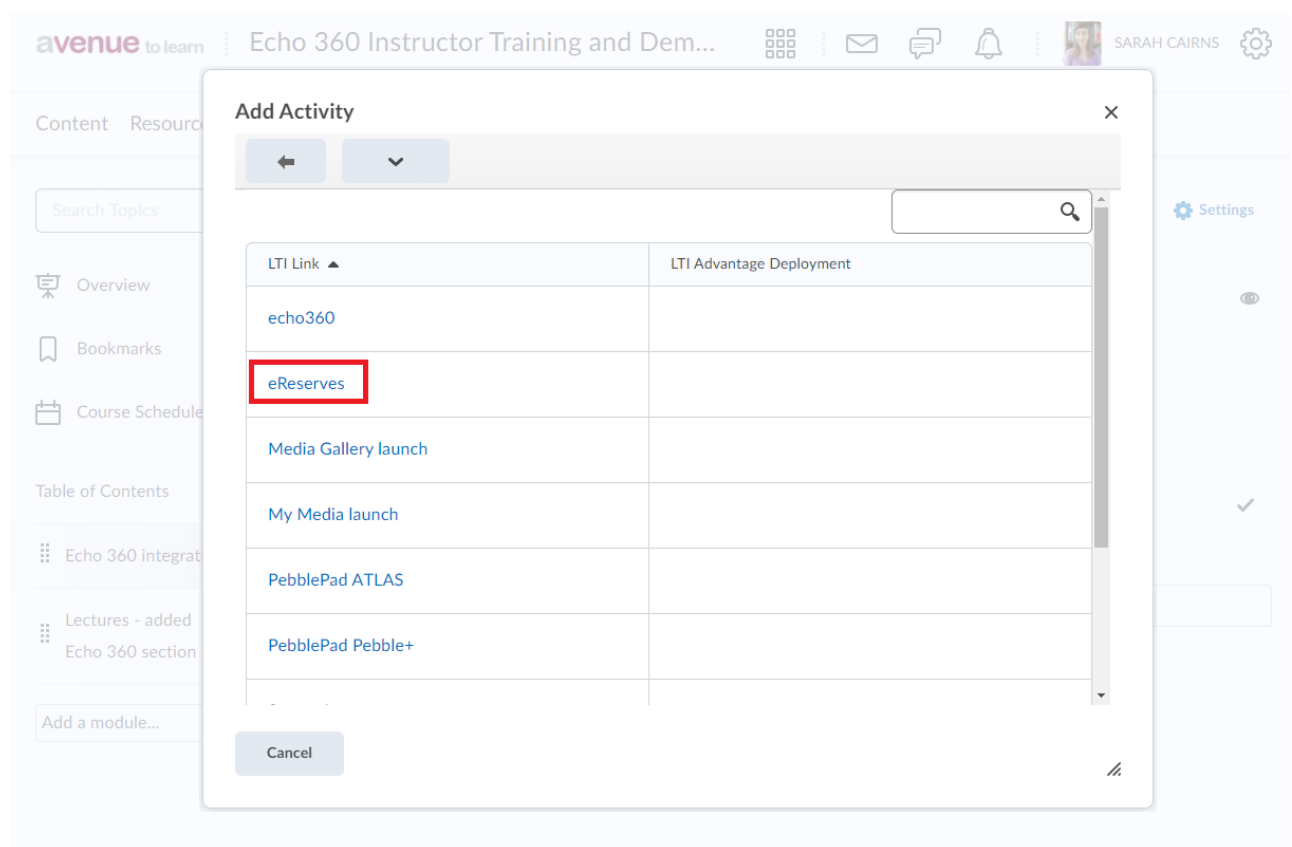

Step 2: Select a **module** by clicking on the name on the left-hand side. (Note: If you do not yet have a module, at the bottom of the left-hand side, where it says 'Add a Module', type in your module name and hit 'enter')

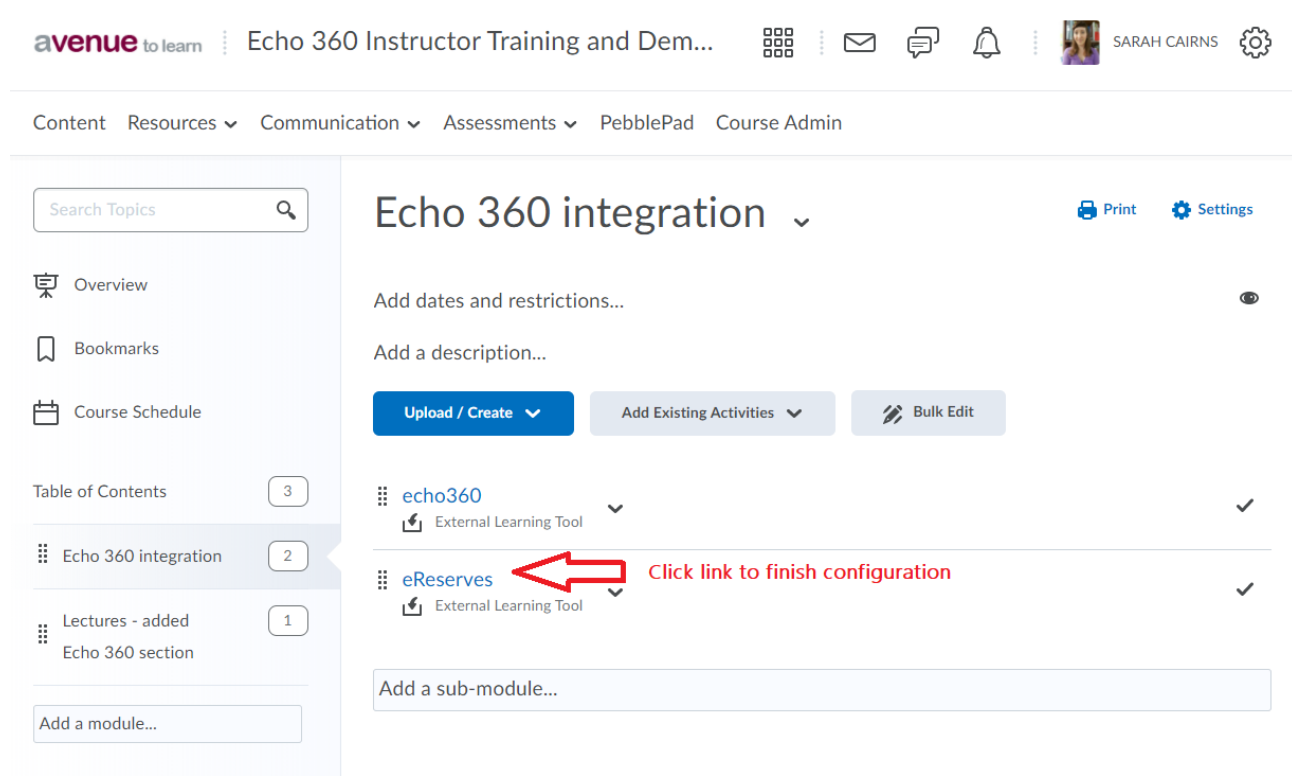

Step 3: Select (from the middle of the screen) the dropdown menu for 'Add Additional Activities' or 'Add Existing Activities' and choose 'External Learning Tools'

Step 4: Select 'eReserves' (Click on 'eReserves' hyperlink)

Step 5: Once the eReserves link has been created (as pictured below) click on the newly created 'eReserves' link to finish the configuration process.
