

Series 1. Case files.

1976-2003. – 44.5 m of textual records and other material, including: 48,236 photographs; 46,016 slides; 295 CD-ROMs.

These are the “working files” of the magazine. Each file relates to a movie for which *Marquee* wrote (or considered writing) a story; files typically contain press releases, press clippings, credits, graphics and advertisements, photographs (frequently b&w 8x10) and 35 mm. slides. Most of the photographs originated with the individual studios and producers. Arranged first by year and then alphabetically by movie title.
